

## **MUSICAL RECORD PAYMENTS BY THE NEW YORK PHONOGRAPH COMPANY, MAY 1892 TO JULY 1893**

Compiled by Patrick Feaster from photographs of a journal at Thomas Edison National Historical Site, May 2019

- Records not separated by a line were listed individually in the “Total” column but summed together in the “Mus. Record” column.
- Records separated by a single line are adjacent, on the same day, but not summed in the “Mus. Record” column.
- Records separated by a double line are not adjacent.
- Records separated by a broken line are adjacent spanning a page break, and (possibly for that reason) not summed together.
- Numbers in parentheses (e.g., 3:9348) refer to the page number followed by the transaction number.
